These prices are based on customer drop off and pick up. Any deviations from original furniture construction must be discussed prior to production. Items that need additional work upon deconstruction such as: dry rotted foam, springs re-tied, extra batting, frame degradation, gluing, new webbing will incur additional charges. 20% upcharge for COM fabric. Estimated lead time is 6-8 weeks or longer during busy season and/or upholsterer availability. Please email or text us a picture for a price quote or yardage estimation.

Reupholstery Yardage Chart

Approximate Yardage Shown

Add 2 yards if button tufting. Add 1 1/2 (1.5) yards if skirt for sofa. Add 3/4 (.75) yards if skirt for chair.
